The Hike for Hillandale : Fall Fundraiser

The Hike for Hillandale is a fundraising event that makes use of our on-site nature trail, to focus on science education and physical fitness for each of our children. The one-mile hike is followed by outdoor activities for every student.

Hillandale Elementary School is a public elementary school serving over 640 students in grades Pre-K through fifth. We are a Title I public school with approximately 65% of our students eligible for free or reduced lunch. The Parent Teacher Association (PTA) mission is to “make every child’s potential a reality by engaging and empowering families and communities to advocate for all children.”

Our goal is to raise \$10,000, but as a Title I school, the PTA does not want to put all of the fundraising burden on our families. Therefore, we are seeking donations from companies in the community that are interested in supporting one of their local elementary schools.

Funds raised by the PTA support projects like science and reading enrichment, enhanced technology in the classrooms, field trips, supplies for teachers, and much more.

T-shirt logo placement for minimum donation of \$100 or more, please include a clean copy of your camera ready logo artwork, and exact wording for your company name or email to Doug Olsen at doug.neslo@gmail.com and HillandalePTAVP@gmail.com.

Donations may be given to the Hillandale representative making the request or mailed to the school. Contact Pamela Osborne, pamelamarcotte@gmail.com, for more information.

The Hillandale Elementary School PTA will send you an acknowledgement of your tax deductible donation with our tax ID number upon receipt of your donation. If you need the tax ID number right away, please contact Rachel Blitzblau at rachel.blitzblau@gmail.com.
